

Mission Strategy

We will enhance our mission inspired culture by welcoming all to our ministry, and supporting the discovery of deeper connections between personal call and purpose to service.

Catholic Leadership Strategy

We will leverage the legacy and strength of Catholic healthcare nationally and internationally to be of greater service.

Strategic Objectives

People Strategy

We will attract, engage, develop and retain a mission-inspired workforce by fostering a work environment where our people can grow and be successful.

Quality Strategy

We will provide safe, high quality, person-centered care across the continuum of services.

Resources Strategy

We will utilize and enhance information, infrastructure and financial resources to their fullest benefit.

Strategic Objectives

MISSION

We are called to continue the healing ministry of Jesus by serving with compassion, upholding the sacredness of life in all stages, and caring for the whole person – body, mind and soul.

VISION

Inspired by our mission of service, we will be leaders and partners in transforming health care and creating vibrant communities of health and healing.

VALUES

As a Catholic organization, we are committed to serving people of all faiths, cultures and circumstances, according to our Values: Compassion, Respect, Collaboration, Social Justice, Integrity, Stewardship.

CONTRIBUTE

We will advance our mission and leverage the legacy of Catholic healthcare for the benefit of those we serve.

SERVE

We will strengthen our mission, live our values and enhance our culture in order to meet the needs of those we serve through excellence in care, an empowered and highly engaged team, and wise use of our resources.

TRANSFORM

We will transform the health system through innovation, collaboration, growth, and sharing learnings to respond to the strengths and needs of our communities, especially those most vulnerable.

Strategic Objectives

Seniors Strategy

We will champion a future where seniors and their care givers live well, feel connected, and have a sense of fulfillment every day

Palliative and End of Life Care Strategy

We will be leaders and advocates for robust palliative and end of life care as an essential part of an integrated health system.

Addiction and Mental Health Strategy

We will transform care for those with addiction and mental illness to enable them to live with dignity and hope as connected members of their community.

Strategic Objectives

Innovation Strategy

We will be leaders and partners acting as catalysts for transformation in order to meet the needs of those we serve.

Acute and Community Care Optimization Strategy

We will optimize care and service in acute care and community, responding to future needs and changing demographics.
